HAVENDO io, Nobilis, signor mio, piu à sodisfatione di molti: quali comandare mi possano, che per Putile, che per cio mi de' seguire, a' donare al mondo per lo mezzo delle mie impressioni quello, che, Peccelentissimo M. Adriano: maestro meritissimo de la capella del sacro santo Domo di M A R C O Evangelista, non guari compose. Dico gli non mai basteuolmente lodati suoi motetti a' Sei voci, che hora vsciranno in luce. Per bon spatio restai sospeso, a' cui delli miei amici & padroni, cosi grata cosi dolce, & honorata compositione dedicare douessi, a fine, che a' tale io ne la indricciassi, che egli a' lei, & essa a' lui piu che ad altri si conuenisse: & hauendo tra me medesimo pensato & ripensato, ludicai a' voi signor mio piu che ad alcuno altro couenirse donare. Perche io a' V. S. affetuualmente li sacro & dono, poscia che il pregiato suo Autore questo mi concede poter fare: & ben si deue, da che voi siete parimente & nobile & virtuoso, & che della Musica non pure sopramodo vi dilletate: ma di lei ne siete buonissimo professore, ne solamente nella pratica, ma nella Theorica altresì. E si nel Cantò, come nel Suono: Impercio che non è stromento Musicale, che con merauigliosa harmonia, & con dolcissima attentione di cui vi ode, non sia da voi ottimamete suonato. Pero io nō mai affatichero altrimenti, della musica alcuna cosa a' dirui, come de Porrigine sua, de Pantichita sua, de la nobilita, de la eccellenza, de la autorita, & del dolce diporto suo ne di tante altre sue & infinite, lode, ( come si suole ) perche voi molto meglio di me tutte le sapete, senza, che tale carico a' me non appartiene. ma io solamente debbo, quanto piu vi posso pregarui: che con quel bon animo debbiatte, questa cosi cosi ratta coppia di moretti acetare: con il quale a' voi, & li dedico, & li sacro & li dono, & etiadio fare che essi siano vditid al Mondo, nel vostro honoratissimo Ridutto a' cio eletto: Doue ogni sorte di stromenti Musicali in buona quantita tenete, & oue le piu eccelente cose, che altri cantano, sono continuoamente da i piu perfetti Musici cantate, & suonate, & quindi v' li piu nobili personaggi, che di canto, di suono si dilettano, molto volentieri si riducono. & cosi voi & l'Autore ne sarete al solito, solamente commendati & io, che di ambi doi son seruidore, il mio debito in questa parte haro' pagato & a' V. S. mi raccomando.

Tauola delli motetti.

The image shows a page of a musical manuscript. It features five staves of music. The first staff begins with a large, ornate initial 'I'. The notes are square neumes on a four-line staff (with the fifth line used for the initial). The lyrics are written below the staves. There are several 'ij' symbols interspersed in the text, likely indicating a specific rhythmic value or a section marker. The paper is aged and shows some staining.
