Following publication of the original article [1], the authors reported an error found in Tables 1 and 2. In Table 1, the heading “Socio-demographic risk factors” is not part of the table heading and should be moved under the table heading as a sub-heading. In Table 2, the following notes were captured as footnotes.

*Adjusted for age, pornography consumption, alcohol use, multiple sexual partners, depression, gambling, transactional sex

†Adjusted for age, alcohol use, pornography consumption, depression, gambling, multiple sexual partners

‡Adjusted for age, drug use, gambling, depression

The original article [1] has been updated.
