ARGUMENTUM.

Spiritus Vocationis plerumque sine spiritu in pueris est ; cum enim illi pro genio suo jam a prima Adolescentia in diversa rapiuntur , id potissimum vitæ genus sibi eligunt, quod levitas, non ratio suggerit. Horum certe in numero fuit Parvulus (Doribellum dicimus) qui prope Straubingam autumnali, quo diutius vacatur a scholis, tempore, & eremum, & militiam sine duce ingressus gemino levitatem suam dedoctus malo sapuit. *Ita Ephem. Aug. Aul.*

Scena figitur in Silva.

MUSICA INTERCALARIS.

Icarus Juventutem suo damno doctet, ne sine duce, maturoque consilio vocationis iter ingrediatur.
