

Chlorophylls and Bacteriochlorophylls: Biochemistry, Biophysics, Functions and Applications
B. Grimm, R. Porra, W. Rüdiger, H. Scheer (eds.)

Vol. 25 of Advances in Photosynthesis and Respiration
Govindjee (series editor)

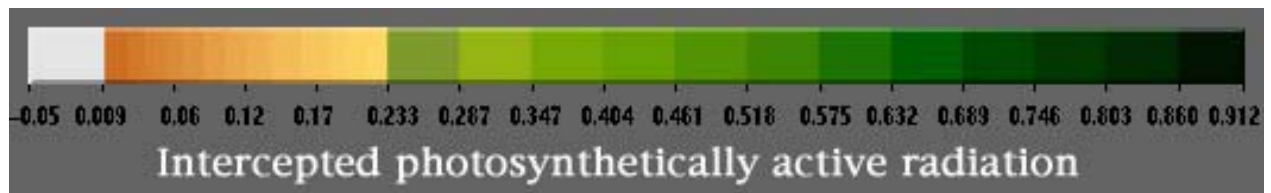

Published 2006 by Springer, ISBN 1-4020-4515-8

Supplement to cover

Color codes for title page:

Chlorophyll concentration in the seas

Chlorophyll concentration on land areas, expressed as intercepted photosynthetically active radiation (PAR)

We thank Compton Tucker and Norman Kuring from NASA, USA, for granting the use of the SeaWiFS image of the Earth and of this color code.
